

The Pass It On Scheme

Thinking About Moving?

About To Move?

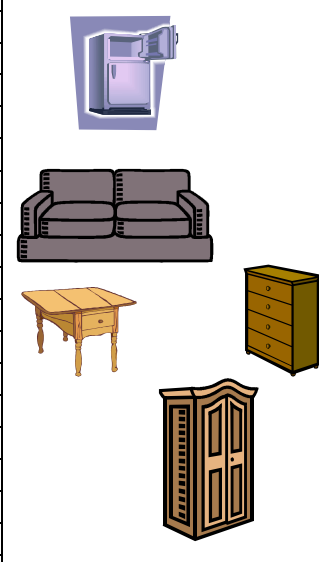

Have you got all the stuff you need? The earlier you sort it the better.

Our booklet **YOUR MOVE** lists the things you'll need & gives advice on how to get them. It also tells you about running costs, budgeting, benefits & utilities. Ask us for a copy if you don't have one.

RBH have set up a small furniture reuse scheme to help young people (16-24) So we might be able to help with some of the things you need

How it works – We check / repair / clean stuff people don't need anymore & store it. You tell us what you need & if we've got it, you can have it. If not, we put your name down & let you know if anything comes in.

It's not free – you pay a small amount into the scheme to keep it going & help the next person. (see sample amounts table)
