

# Experience Rochdale Town Centre

Rochdale Town Centre  
Management Company

ALIVE  
AFTER  
FIVE

If you've not been into Rochdale in the evening for a while, you may be surprised at the growth of the Town Centre's food and drink offer. We now have a wide variety of restaurants, pubs and bars and our 'Never Ending Beer Festival' (a huge town wide selection of cask ales that changes every week).

Whether you are looking to have after work drinks with colleagues, a meal with the family or an evening out with friends, give us a try.
