The information in this timetable applies from Saturday 27 October until Sunday 4 November, while Stalybridge station is closed to allow Network Rail to complete ongoing engineering work to improve the station.

For nine days Northern Rail and First TransPennine Express services cannot operate on the route through Stalybridge on the trans Pennine railway line between Huddersfield and Manchester.

As a result there will be a revised timetable on both routes between Leeds and Manchester: the North trans Pennine route Leeds - Manchester Piccadilly via Huddersfield and the Calder Valley route Leeds - Manchester Victoria via Hebden Bridge.

First TransPennine Express services will be diverted to avoid Stalybridge and as a result the number of trains that Northern can operate on the Calder Valley is reduced. This timetable includes both Northern and TransPennine Express services between Leeds and Manchester.

Travelling to Hebden Bridge, Todmorden or Rochdale on First TransPennine Express services?

If you are travelling to these stations, please ensure that you are travelling in the FRONT THREE coaches of the train as the doors on the rear three coaches will not be opened at these stations.

The £20m project is being carried out to help deliver a more reliable service, and with the prospect of faster and more frequent trains operating on this line in the future. The project will include an additional two platforms at Stalybridge, track renewals, and a replacement of the signalling system.

To enable this to happen, difficult decisions have had to be made on how best to utilise the limited number of trains available to both companies and the limited number of paths or slots on the railway in order to provide the maximum number of train services.

For more information please visit our website: northernrail.org/stalybridge

Depending on where you are travelling to and from you may not notice any difference to your journey. However, certain journeys may require you to travel by a different route, involve a change of trains or travel by replacement bus.

On Monday to Saturday, Northern will run trains between:

- **Leeds and Manchester Victoria** via Bradford Interchange, Halifax, Hebden Bridge and Rochdale.
- **Leeds and Hebden Bridge** via Dewsbury and Brighouse.
- **Leeds and Huddersfield** (local stopping trains via Dewsbury).
- **Selby - Leeds - Bradford Interchange - Huddersfield - Wakefield Westgate** via Halifax and Brighouse.
- **Manchester Victoria & Ashton-under-Lyne** (Monday to Friday until 7pm).

Rail replacement buses will run between:

- **Huddersfield and Guide Bridge** (Monday to Friday until 7pm)
- or **Huddersfield and Manchester Victoria** (after 7pm and on Saturdays)
- **Huddersfield and Manchester Airport** calling at Stockport for connecting rail services to Manchester Piccadilly and destinations on the National Rail Network
- **Stalybridge and Guide Bridge** for connecting rail services to Manchester Piccadilly

On Sundays, rail services will be similar to the Monday to Saturday service except First TransPennine Express will operate direct trains to/from Manchester Airport.

Replacement buses will only operate between:

- Huddersfield and Manchester Victoria.
- Stalybridge and Manchester Piccadilly.

Other temporary timetables are available for all services between Leeds and Huddersfield via Dewsbury and Bradford, and train and bus replacement services running Manchester Victoria and Huddersfield via Stalybridge.

First TransPennine Express has also produced timetables for the North East and Leeds to Manchester, Liverpool and Manchester Airport, and mini guides for services between Stalybridge and Manchester, and Huddersfield and Manchester.
