## The Route:

Leaving Spotand at 8am, we follow Edenfield Road to go through Norden and onto Edenfield. Take particular care on this stretch of road over Owd Betts as the pavement is more of a single file gravel track in places.

At the mini roundabout in Edenfield turn right. After half a mile where the road forks, bear left. Keep on this road for a couple of miles until you arrive at a large roundabout with a pub on it called The Woolpack. ETA 11.30am and a bite to eat will be provided in The Woolpack courtesy of The Woolpack who have sponsored this part of the journey. Our thanks go to them.

Leave The Woolpack at 12.00 and turn right at the roundabout to pass the Tesco on your left hand side. Keep going for 2 miles into the centre of Haslingden and at the main lights go straight on into Blackburn Road. Continue for over a mile until you come to The Rising Bridge roundabout where you go straight on (2<sup>nd</sup> exit) s/p Accrington.

Continue for 3 miles passing the Hollands factory and you will eventually drop into the centre of Accrington and the inner ring road. Continue straight on along the inner ring road passing The Queens pub and crossing 2 sets of lights.

At the 3<sup>rd</sup> set of lights you turn right s/p Whalley and Clayton Le Moors. Go under the railway bridge and up Whalley Road for about half a mile or so passing a pub called The Oaklea Tavern. Just after the pub there is a mini roundabout. Go straight over this and in about 300 yards turn right into Livingstone Road. The away turnstiles are 200 yards further on your left hand side.
